

International Students Contest on Information Security, CTF-USV, 8th edition Suceava 2023

Students from academic institutions are invited to participate in the eight International Students Contest in Information Security, CTF-USV. The contest, organized as a CTF competition (Capture The Flag), is based on solving various challenges by exploiting weaknesses and vulnerabilities of web applications and operating systems in a limited time interval and inside a controlled data communication environment.

This year the CTF-USV contest will be held exclusively on-line. Teams of maximum 4 students having a Faculty member as mentor or coach can participate.
